Westlea Housing

## COMMUNITY INVESTMENT FUND

Do you have an idea to improve this area but don't know where to get the funding to make it happen?

Would you like to hold an event but don't have the cash?

Do you want to form a group that needs funding?

**You can apply to the Westlea Community Investment fund.**

You don't even have to be a Westlea resident. We are looking for worthy causes, projects, and events that don't just benefit our residents but local communities too.

For more information please make contact with me on 07825 845266.

## The Pod is open!!

As you can see overleaf, I will be holding drop-in sessions at the Pod. There are now some bright yellow signs that indicate when I am there. Please call and see me if you have any issues or if you would just like a chat.

## Solar panels

I have been contacted by several residents who have shown an interest in the advantages of fitting solar panels.

There are still a few opportunities left, so think seriously about taking up this offer.

## Beehive update

I am in very positive discussions with a local Bee Keeping society with a view to them managing the hive and training people in all aspects of bee keeping.

We hope that any honey produced will be provided locally, especially to young people who suffer from hay fever - because it is believed that local honey can increase resistance to the problem.

# March at the Barrow Green Pod!

## Lots of FREE services and activities!

Pop by the Pod and visit. We are located on Barrow Green at the top of Hill Rise.

Don't forget, the Pod is available for you to use for your own meetings, groups, or parties!
