Working in partnership to keep neighbourhoods tidy

We are now working with Wiltshire Council in an effort to keep neighbourhoods clean and tidy. Wiltshire Council has a dedicated enforcement team who are able to investigate all types of fly tipping, rubbish dumping, bulk items, dog fouling and incorrect disposal of domestic waste. Everybody is affected by these actions as it has a detrimental effect on neighbourhoods.

Please join us and let's work together to keep our neighbourhoods clean and tidy!

- Fly tipping includes not putting your own rubbish in the correct waste container designated to your property.
- Don't leave rubbish bags next to the bin or place bulk items in the bins.
- It is the householder's responsibility to put the bins out for collection by 7am on designated bin day and to put away again by 6pm.
- If evidence of fly-tipping is discovered, the Wiltshire Council team is able to issue a 'section 46 notice' and thereafter impose fines of up to £100 for non compliance.

For more information please contact your housing officer using the details below or visit www.westlea.co.uk

There are no bylaws that restrict bonfires in the Wiltshire and Swindon Borough Council areas. If smoke from a bonfire is causing problems, we suggest you speak to whoever lit the bonfire. It is an offence under the Highways Act 1980 to light a fire near a road that may cause danger to road users. This needs to be brought to the attention of the police.

Remember most garden waste can be composted or taken to local recycling centres throughout the county.

News IN BRIEF

Joint tenancy

We receive a lot of letters and phone calls asking how to add a partner to a tenancy agreement or whether residents have to put them on at all.

You do have to keep Westlea informed of who is living at your address and if anybody new is moving into your property. You will also need to tell Wiltshire Council and discuss this with the customer accounts team if you receive benefits.

If you would like further advice please contact the housing team using the details on the front cover.

Are you running a business from home?

If you decide to start your own business and run it from home, you need to ask permission from Westlea first. All we need are the details of what you are doing; how it might affect your neighbours; and how many visitors (if any) will visit your home.

Westlea would not normally withhold permission unless it likely to have an impact on the neighbourhood. Please contact your housing officer for more information using the details on the front cover.

Updating your information

We are continuing to update our computer system to make sure we have your up-to-date details, and are sending out a questionnaire to those who have not already received one.

You may have been recently contacted by our market researchers for similar information, but unfortunately there are still some gaps. When you receive the form, please complete the form with as much information as possible and return it in the prepaid envelope.

When will we receive the questionnaire?

The questionnaire will be sent out very soon. Some areas have already received it.

What will happen once Westlea has received this information?

The information you provide will be updated on the computer system.

All completed questionnaires will go into a prize draw to win prizes! 1st prize £100 and two runner-up prizes of £50

Crisis loans

Crisis loans may be available if residents need financial help with an emergency or disaster. They are interest free and available to people aged 16 and over.

Since April 2011, new restrictions have been put in place. Crisis loans will not be available for items such as cookers and beds, but some help will be available for people following a disaster.

The rate paid for living expenses will be cut from 75% to 60% of benefit rates and a cap of three crisis loan awards for general living expenses in a rolling 12 month period has been introduced.

Phone JobCentre Plus for more information on 0800 032 7952 or visit www.dwp.gov.uk

Here is feedback on some of the action we have taken as a direct result of comments and requests from you.

On the Lyneham walkabout eight residents met with Sian to discuss concerns in the area. A resident from St Michaels Close asked for the fence to be repaired in the garage area. This was reported to maintenance and was repaired in June.

It was reported that a number of the street lights were not working at The Lawns. These lights are now due for repair.

You told us that residents in Dogridge were not disposing of their rubbish appropriately and leaving it to build up. We are working in partnership with the enforcement officer to resolve the problem by serving warnings to those residents involved.

Distraction burglary

Distraction burglary is where a trick or distraction is used to gain access to a property to commit burglary. Here are some top tips to help you stay safe.

- If you're not sure who is at your door, don't open it. Check the callers identity card or phone the company they are reporting to be from.
- Telephone a neighbour or friend to come and check the callers identity before you open the door.
- Many services, including Westlea, provide password schemes you can sign up to. When callers knock at your door they should know the password if they are genuine.
- The 'Water Board'

no longer exists, it is a phrase used only by bogus callers.

- Don't keep large quantities of cash at home, put it in the bank.
- Keep doors and windows locked and secure at all times.
- Ensure that if you do let somebody into your home, that you secure the door behind them. Distraction burglars often work in teams, where one will distract you, whilst others sneak in through the door.

Antisocial behaviour

Throughout summer antisocial behaviour increases due to better weather. BBQ's, bonfires and more children playing outside is often the cause.

If you are experiencing antisocial behaviour, we ask that you please speak to the person causing the nuisance to try and resolve any issues first.

If you would like more information, help, or details of services relating to antisocial behaviour issues please visit www.westlea.co.uk

You can also visit www.police.uk to see what crimes are being reported in your area.

REPORT ANTISOCIAL BEHAVIOUR

Swindon County Court granted an injunction against a local man due to a long list of ongoing antisocial behaviour which made life miserable and fearful for residents in the Cricklade area.

"This is a sad case involving an individual with a history of drug and alcohol problems; we always hope that problems can be worked out before court action is needed, but there comes a point when people must face the consequences of their actions," said Sue Burnett

from Westlea's antisocial behaviour team.

"Westlea always takes antisocial behaviour seriously. The ongoing antisocial behaviour to our residents specifically, and across Cricklade, made this action necessary and this injunction is a good result for Westlea and our partnership working with local Police, and, of course, for other residents in the town."

The injunction will last for a year and will be enforced by the local police force.
